Career Objective

To secure a challenging role in the field of Robotics and Automation, where I can apply my interdisciplinary skills in mechanical, electrical, and computer engineering to develop innovative and efficient intelligent systems, contributing to organizational goals and professional growth.

Educational Qualification

B.E. Mechatronics Engineering

Kongu Engineering College, Perundurai, Erode

Kongu Engineering College, Perundurai, Erode
2023 - Present

Higher Secondary Education

The Richmond Matriculation Higher Secondary School, Seenapuram

Areas of Interest

Robotics	Automation	Manufacturing Process	Control Systems
----------	------------	-----------------------	-----------------

Skills

SolidWorks	AutoCAD	C Programming	PCB Design	Relay Logic Control
------------	---------	---------------	------------	---------------------

Achievements

First Prize in LIFI Project (2023)

Science based competition at Kongu Engineering College
